J. P. Lippold is an old man. He has known many men in his day. And he knows how to take the measure of men. And after measuring the nine candidates for governor he has arrived at the conclusion that among them all the best man is a woman! Hurrah for Miriam, the Madam who carries on!

The heavy rains of the first part of the week caused somewhat of a slump in carload shipments from the local depot as but seventeen cars were handled, ten out and seven in, as follows: Outbound 6 cars of oats, 3 of corn and 1 of livestock; inbound, 2 cars of Ford cars, 1 of Gasoline, 1 of Coal, 1 Ford Tractor, 1 well drilling Machinery and 1 of sand.

As the teams had failed to provide themselves with boats, the game of baseball scheduled last Sunday between the Maya Indians of LaCoste and the Aztecs of Hondo, on the local diamond, failed to materialize. For tomorrow the Aztecs will have the Sons of America team of San Antonio as their antagonists in a double-header. The game will be called at 2:30 P. M. Be in your seats early and root for the home team.

Story of the New West

ZEN of the Y.D.

By ROBERT STEAD

A romance of the ranches of western Canada, written by one who is an expert in his knowledge of the region—who makes you feel its atmosphere and enjoy personal contact with its people.

A quick-moving story of dramatic power. A conflict of human desires and passions. A story of modern life, told with courage and honesty and with rare understanding of both sides—the man's and the woman's. A story that shows how splendid life can be in the great open places.

W. T. Odom of Leesville Louisiana, was the guest of his brother-in-law, George Kimmy and family last week-end. Mr. Odom had attended the Nut Growers Convention at Fredericksburg, and stopped over enroute home on a brief visit. He is now engaged in the pecan business on a big scale. Mr. Odom is an erstwhile citizen of Hondo, having lived here for a brief time some few years ago, and his old friends were pleased to again greet him, even if for a brief time.

Ben Riff was in town one day this week and was a pleasant caller at the Anvil Herald office. He takes a very optimistic view of conditions in this section, following the splendid rains the earlier part of the week. However, Mr. Riff suffered considerable loss as the result of the heavy rain some of his oats that were in shocks being carried away by the high water. His corn is fine however, and he counts himself winner, even if he did lose some of his oats.

Messrs. R. A. Carter, H. Olswanger O. B. Taylor, Clyde Holaway and Earl Starnes went down to San Antonio Monday to take the Scottish rite degrees in Masopry. The first four returned after having taken fourteen degrees, but Mr. Starnes remained and took all of the degrees up to the 32nd.

PURCELL CHIEF WINS LONG FIGHT

Fighting for his health as well as for law and order, Chief of Police M. L. Thomas, of Purcell, Okla., has at last been victorious after an eight years battle.

"It was this new medicine Karnak that finally stopped my troubles and fixed me up with a gain of twelve pounds in weight," says Chief Thomas.

"It made no difference what I ate, everything seemed to settle in a hard mass in my stomach with a knotty, lumpy feeling and then I could hardly get my breath. Although I tried every sort of treatment I finally got so weak and lost so much weight it looked like I would soon have to give up entirely. But I have not had a bit of trouble since I finished the first half bottle of Karnak and three bottles of the medicine has put me back in tiptop health in every way with a gain of twelve pounds in weight and lots of strength and energy. Karnak is all that is claimed for it and I am glad to help others by recommending it publicly."

Karnak is sold in Hondo by W. H. WINDROW

Mr. and Mrs. Alvin Leinweber arrived home Tuesday from their honeymoon trip to Corpus Christi. Their pretty new home in the South-western part of town is rapidly nearing completion.

By an oversight the An Herald last week failed to note the departure of Mrs. Mary Locke and daughters, Mesdames Stella and Effie Hancox, after a brief visit their relatives here, Mr. and Mrs. J. W. Griffin. These ladies, who homes are at Atlantic, Iowa, are quite an extensive tour of the United States, and broke their here for a few days rest and visit their relatives. While Mr. and Mrs. Griffin showed them a good portion of Medina County and as a result of what they saw their opinion of Texas and its people underwent a very marked change. They did not see walking arsenals they expected, convinced that Texas people live in real houses—in fact, could distinguish but little difference in people here, and those of the native state. In truth, they actually fell in love with Texas, with lovely streams, beautiful farms, luxurious crops, and signified intention of spending a part of coming winter here. They West Texas boosters now, and will sing its praises in a less strain after spending a winter in this delightful climate. Late to their relatives here locate at present in California after visit to that wonderful spot Grand Canyon. Their itinerary convey them through several western states and Yellowstone Park fore they return home.

Mr. and Mrs. J. W. Miller have been enjoying a visit this week from distant members of the family. Mr. and Mrs. Jake Miller of Inglewood, California, and Mrs. Guinn Miller of Columbia, Texas, are here. Young men are sons of Mr. and Mrs. J. W. Miller. Mr. and Mrs. Hoover have just returned to home in Eagle Pass after pleasant visit here. Mrs. Hoover is a grand-daughter of Mr. J. W. Miller.

August H. Stiegler, one of Hondo farmers, was a business man at this office Thursday, meeting his date to the Anvil Herald and rolling in the growing family FARMING'S readers. Mr. Stiegler has been on the sick list for several months, but is rapidly regaining strength and hopes to soon be stored to his normal good health.

The industrious housewives Medina County are preparing combat the high cost of living, while not exactly "making hay while the sun shines" they are canning fruit and vegetables while prices are low and fruit trees supply the necessary ingredients. However, the barons are reaping a harvest, profiteering in sugar.

Mrs. Annie Miller and daughter Mrs. Chandler and Miss Annie Miller returned the first of the week for a visit to relatives at Bolivar. Miss Annie, who was enjoying vacation, has returned to her duties as a nurse at the St. Rosa Infirmary.

Walter Karrer was here this week visiting his mother, Mrs. Karrer. "Boxie" is making arrangements to depart for the island of Porto Rico where he will enter employment of a big sugar company. This paper wishes him success in his new venture.

CASTROVILLE, JUNE 26, 1924

ED. HUEHNER, Local Representative

News or business matter for this page for the week's issue should be submitted to Mr. Huehner or mailed direct to us at Hondo not later than Wednesday night of each week.

Quite a number from here attended the funeral of the late Louis Ahr at San Antonio Saturday morning. Deceased had many relatives and friends here having been born and reared to manhood in our little burg. We join in sympathy with the bereaved and grief-stricken ones. May he rest in peace.

One of the heaviest rains of the season, fell here Saturday night and Sunday morning. It is estimated that 4 1/2 to 5 inches had fallen. The old Medina River came down on a considerable boom.

Owing to the heavy rain, the dance which was advertised for Sunday night at the Electric Park went by default.

The Misses Lenora and Medora Tschirhart of Sauz, spent the past week with the Misses Laura and Elisabeth Kralik.

Wedding Bells, will ring at the Lutheran Church here Thursday.

Mr. and Mrs. Chas. Umscheid and friends of San Antonio were Castroville visitors Sunday.

Mr. and Mrs. Fritz J. Etter and little daughter were here from their ranch.

Felix Stinson and Willie Wurzbach were here from Riomedina Monday.

Justine Hans of Leakey is visiting Mrs. Mollie Hans and family here this week.

Mr. and Mrs. Robert Bendele and baby were here Sunday from Hondo.

Mr. and Mrs. Joe J. Rihn had their infant baptized in the Catholic Church Tuesday. The young gentleman was named Morris Aloysius. The sponsors were Miss Willie Biediger and Julius Tondre.

Miss Patricia FitzSimon left Friday for Fredericksburg where she will spend the week.

George Bennet was a Hondo visitor Saturday.

QUIHI NOTES

Last Sunday services in the Quihi and New Fountain Lutheran churches were abandoned because of the inclemency of the weather and the bad road conditions.

Next Sunday Sunday school at the Quihi Lutheran Church at 9 A. M. and divine service at 10 A. M.

Divine service will be held in the New Fountain Lutheran Church Sunday afternoon at 2 o'clock.

The special mission service announced for last Sunday night and abandoned on account of the rain and bad road conditions will be held Sunday, July 6th., at 8 P. M.

SURPRISE PARTY

The members of the Luther League, friends and neighbors, gave a surprise party at the home of Mr. and Mrs. Herman Balzen at Sturm Hill in honor of Mr. and Mrs. Walter Balzen. The evening passed away in playing social games. Delicious cake and punch were served to about a hundred guests. Everyone parted at a late hour declaring that they had never spent a more pleasant evening.

Lieut. and Mrs. A. J. Battaglia have returned to their home in San Antonio after spending a week on the L. C. Decker ranch.

The Quihi base ball team was here Tuesday afternoon for a game with the Hondo All Stars, and while the Hondo team annexed the game by a score of 9 to 8, the visitors were in the game from start to finish. It took ten innings to decide the contest, and it was either team's game until the inning run crossed the home plate. While the score went up pretty high, the closeness by which the locals won, shows that the teams were pretty evenly matched.

The Quihi boys yet believe they can defeat the Hondo team, and have another game scheduled here next Friday, July 4th and lovers of the game will watch the outcome with much interest. Hollaway and Hollaway and Bill Windrow did the battery work for the locals, while Oefinger and Oefinger performed a like service for the visitors. Remember, July 4th, these two teams meet again. Be on hand and root for your favorite.

A nine pound boy arrived at the home of Mr. and Mrs. Joe J. Rihn Saturday June 22. Mother and child are doing fine and Dad says he now has three Kings.

Pete Peterson came in from down East on a visit to his friends, Herbert Tondre and Hugo Bourquin.

Mrs. Willie Rihn visited in San Antonio Friday.

Julius Biediger of San Antonio visited his parents here, Mr. and Mrs. Albert Biediger, this week.

AHR FUNERAL SATURDAY

Funeral services for Louis M. Ahr, who died at his residence at 525 South San Jacinto Street, Wednesday night, were held Saturday morning. Mr. Ahr was a pioneer resident of Bexar County and was the son of Stephen and Mary Ahr of the old Castro colony, which established the little town of Castroville.

His nephews acted as active pallbearers. They were: Steve, Henry Frank, Robert and Sam Ahr and William Rietel.

Members of the Pioneer Freighters' Association acted as honorary pallbearers. They were: James Hogan, Henry Vonfle of Castroville; William B. Krempkau, Dominic Schott of Devine; E. B. Vance, Adam Drolcourt of Medina County; B. F. Schmidt, John Koch of D'Hanis; Jack Biry, of Medina County; Henry Meyer and George Christilles.

BAILEY-MEYER WEDDING

George H. Bailey and Miss Bessie Meyer stole a march on their friends and went to San Antonio Thursday where they were married. Miss Meyer is the youngest daughter of Mr. and Mrs. Louie Meyer. Mr. Bailey is connected with the highway department here.

TO BE A P. H. D.

Austin, Texas, June 20.—Studying the flora of Texas for the purpose of writing a dissertation on the subject for his doctor of philosophy degree, Prof. B. C. Tharp, of the botany department of the University of Texas is making field trips this summer in East Texas to secure specimens and notes on the flora of that section. He is accompanied on the trips by A. L. Dippel of LaCoste, a graduate student.

Last Sunday Mr. and Mrs. H. Weltner returned to their home at Camp Verde after spending two months visiting relatives at Hondo and D'Hanis. Mr. and Mrs. Otto Weltner met them at Bandera where dinner was spread on the banks of the Medina River and an all day gathering of relatives was enjoyed. Present were Mr. and Mrs. E. A. Parsons and two sons of Hondo, Mr. and Mrs. Irving Frerichs and child of Hondo, Mr. and Mrs. Chas Wallrath and sons of D'Hanis, Mr. and Mrs. Earl Parsons of West Verde, Mr. and Mrs. H. Weltner and Mr. and Mrs. Otto Weltner of Camp Verde, Francis and Bud Wilson of Luling.—Bandera News Exchange.

FARM LOANS.

The Hondo National Farm Loan Association, H. E. Haass, Secretary-Treasurer, Hondo, Texas, representing 176 borrowers, with \$688,480 borrowed, is prepared to make farm loans anywhere in Medina County under the Federal Farm Loan Act at 5 1/2 per cent interest and 1 per cent 33 year amortization repayment plan. Thirty-three thousand Texas farmers have taken advantage of this system of borrowing over ninety million dollars. Why not you? You may borrow for any purpose provided for in the Act, as a farmer only.

NOTICE TO STOCKMEN.

If you expect prompt service when shipping cattle to Native Yards or otherwise, or trucking and driving out of this County, please notify me two or three days ahead, as all local inspectors are very busy now and I am called away a great deal of my time.

Respectfully Yours,

H. F. WURZBACH,

Inspector L. S. S. Commission of Tex.

SAYS CALOMEL SALIVATES AND LOOSENS TEETH

The Very Next Dose of this Treacherous Drug may Start Trouble

You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tonic for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate.

UPPER QUIHI NOTES.

Mr. and Mrs. Joe E. Tschirhart of Noonan visited relatives here one day the past week.

Mr. and Mrs. Ed. Riff and little son, Mrs. Joe Riff and daughter, Miss Emma, of Bader Settlement were the guests of Mr. and Mrs. C. H. Fous Friday.

Alfred Balzen of San Antonio is here on a visit to his parents, Mr. and Mrs. Herman Balzen.

BACK BAD TODAY?

Then Find the Cause and Correct It As Other Hondo Folks Have

There's little rest or peace for the backache sufferer.

Days are tired and weary—Night brings no respite. Urinary troubles, headaches, dizziness and nervousness, all tend to prevent rest or sleep.

Why continue to be so miserable? Why not use a stimulant diuretic to the kidneys?

Use Doan's Pills. Your neighbors recommend Doan's. Read this Hondo case:

Joseph Mechler, says: "I was taken with a severe backache and had dull pain in my kidneys day and night. When I stooped I could hardly get up again. My kidneys didn't act right and I had to get up nights on this account. Doan's Pills made my back as strong as iron and made my kidneys act regularly."

Price: 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Mechler had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

SUMMER COURSE IN POULTRY AT A. & M. STARTING JULY 14

College Station, Texas, June 25.—For the three weeks from July 14 to August 2 the Poultry Husbandry Department of the A. & M. College of Texas will conduct a condensed course in poultry breeding, feeding, care, management and marketing with the special purpose of providing an intensive training course for the small poultryman who expects to derive a part of his living from the keeping of chickens. In cooperation with this department other departments of the College will work to give those who attend the broadest conception of the primary essentials in the profitable production of poultry and eggs. All of the facilities of the College, including the two large, modern poultry farms and mammoth hatchery will be available for the work. One of these farms is that of the Experiment Station which is conducted for experimental purposes, and the other is operated by the teaching division for practice work of students of the College. Every process in the business of producing chickens and eggs can be demonstrated on these farms.

The principles and methods to be demonstrated will be outlined by the officials of the institution, teachers, extension agents and research specialists. The leaders in this force of experienced instructors will include Professor D. H. Reid, head of the Department of Poultry Husbandry; Ross M. Sherwood, Experiment Station poultryman in charge of Experiment Station poultry farm; Dr. R. C. Dunn, associate professor of veterinary medicine; D. F. Irving, associate professor of poultry husbandry of the College teaching division, and Miss Myrtle Murray, Extension poultry specialist. Each one of these will lead in a particular phase of the subject matter.

All who come to the short course will be accepted as regular students, will be assigned to the dormitories and will take their meals in the mess hall. The entire cost of room and board for the three weeks will be only \$24.

Students will also be encouraged to take part in the regular activities of the institution. There will be picture shows, lectures and other entertainment during the week and on Sunday morning there will be religious services for everyone.

THE RAIN

One of the best and most timely rains that ever fell in Medina County started here a little before 4:00 o'clock last Sunday morning. This rain broke a twenty-one days dry spell that was beginning to tell on the late corn, and cotton had about stopped growing, and farmers and everyone else were beginning to get nervous. But everything is changed now. With the greatest corn crop ever produced in the county practically assured and the cotton crop as promising as could be wished, the pessimist will have to conjure up some other dire calamity to overwhelm the country, as weather no longer furnishes them a theme. The rain, so far as we can learn covered a good portion of the State and every acre of Medina County. The precipitation in some parts of the county was heavier than in other portions but every portion had enough. The rain added thousands of bushels of corn to the crop, will carry cotton a long way toward a crop, waterholes are all full and good ranges assured. The fall in Hondo totaled 4.12 inches, but those living South of town claim two or three more inches than fell here in town. Now watch business boom in good old Medina County this fall.

Henry Leinweber and Alfred Winkler were visitors to this office Saturday. Mr. Leinweber brought us a sample of his peaches, and again we have a literal demonstration that Medina County is a good fruit country when orchards are suitably located and properly cared for. The specimens brought to this office were as fine peaches as any one could wish to see. Mr. Leinweber's trees are now eight years old and he has had three fine crops of fruit from them, either of which would more than pay the cost of the orchard. He only has six trees and last year, when they were just seven years old, he sold \$30.00 worth of the fruit, canned 200 quarts and had all the fruit the family wanted to eat during the ripening season. If that isn't evidence that peaches have paid Mr. Leinweber, we do not know evidence when we see it.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE consists of an Ointment which quickly Relieves by local application, and the Internal Medicine, a Tonic, which assists in improving the General Health. Sold by druggists for over 40 Years. F. J. Cheney & Co., Toledo, Ohio.

The Quinine That Does Not Affect the Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness or ringing in head. Remember the full name and look for the signature of E. W. GROVE. 30c.

FLAG RULES TO BE TAUGHT IN SCHOOLS

Dr. M. W. SHERWOOD
As a result of a campaign waged by Dr. M. W. Sherwood of Temple, State Commander of the American Legion the State Textbook Commission has authorized the teaching of "Flag Etiquette" in the public schools. The standard flag rules are to be made a part of the civics textbooks.

Within another year or so the proud American who wants to be patriotic on July 4 and takes his family out to see the Big Parade, may find one of his children nudging him and whispering to him to lift his hat with his right hand and place it over his heart as the American flag comes sweeping by in the procession.

That observation was made here on June 14th by Dr. W. M. Sherwood, State Commander of the American Legion, who has been advised that standard flag rules are to be taught in the public schools of Texas as part of the course in civics. Under the leadership of Commander Sherwood the Texas Department of the Legion carried on the campaign to bring about teaching of the flag etiquette in the schools of Texas.

"It will be a glorious day for Texas," said State Commander Sherwood, "when all of our children learn the accepted rules for draping and paying proper respect to Old Glory on all occasions, and just as soon as they begin studies of these rules in the public schools they will put their newly acquired information to good use by assisting their elders in decorating floats and buildings for patriotic occasions.

"All of us are loyal citizens. We would fight for our country at the drop of the hat, if necessary. But few of us have ever been told that we should lift our hat and place it over our heart as the national colors come by in parade, and that is the reason so few of us do it.

"If I could send a Fourth of July message to the people of Texas I would say, let us begin now to help our children learn the flag rules they are going to study in school later. When the flag comes by in parade, the man should lift his hat and place it over his heart. The woman should place her right hand over her heart. All should remain quiet until the colors have passed."

To the Sheriff or any Constable of Medina County—GREETING: C. J. Bless, Executor of the Estate of John Frerichs, deceased, having filed in our County Court his Final Account of the condition of the Estate of said John Frerichs, deceased, numbered 938 on the Probate Docket of Medina County, together with an application to be discharged from further acting as executor of said estate, and that an executor de bonis non be appointed to succeed him.

You are hereby commanded, That by publication of this Writ for twenty days in a Newspaper printed in the County of Medina you give due notice to all persons interested in the Account for Final Settlement of said Estate, to appear and contest the same if they see proper so to do on or before the July Term, 1924, of said County Court, commencing and to be holden at the Court House of said County, in the town of Hondo, Texas, on the 7th day in July, A. D. 1924, when said Account and Application will be acted upon by said Court.

In the formal announcement column printed elsewhere will be found the announcement of our fellow townsman, Mr. L. J. Brucks, a candidate for the Democratic nomination for District Judge of the 38th Judicial District. Judge Brucks is a Medina County product. He was born and reared in Medina County, and has never resided elsewhere. From the editorial tripod, graduated into the legal profession some twenty years ago and is eminently a self-made man. His neighbors know and admire him for the struggles he has made, the stories he has won and for his unflinching habit of making good in every position of responsibility wherever they have placed him. Soon after his admission to the bar he made County Attorney. Later he was promoted to the District Attorney's office, and now, after a number of years of faithful service, he asks to be raised to the honorable position of District Judge, where the same devotion to duty and the same unflinching ability that has marked his upward rise will continue to distinguish his service to the people.

OLD PEACH TREE BEARING.

DEVINE, Tex., June 23.—Mrs. Constance Vance has a peach tree on her farm, the sole survivor of an orchard planted 35 years ago. The family thought this tree was dead, but this year it blossomed forth and is now supplying the family with most luscious fruit. The peaches are very large and of an unusually fine flavor.

HONDO GETTING ON THE MAP.

For years the prominent politicians of the state have treated Hondo like a step-child, passing the town up in their vote-soliciting campaigns like we were a community of non-voters. But this is no longer the case. Hondo is at last on the political map of Texas, and those seeking our sovereign votes are hereby put on notice that in the future they must do as others are doing—come here and ask us for them.

During the week just passing the town has been visited by no less than two men who are aspiring to be governor, and Hondo is not to be blamed for at last waking up to her self-importance.

On Sunday night, Lieutenant-Governor T. W. Davidson, who was at the same time acting-Governor on account of the absence of Governor Neff from the state, arrived in our town.

The Governor was billed for a speech at the courthouse at 10:00 o'clock a. m. Monday morning and many were looking forward with eager anticipations of hearing this fearless exponent of law and order, as opposed to moonshine and chaparral trials and tarbucket and lash administration of law, in behalf of his candidacy for governor. But as he was billed for Uvalde and Del Rio later in the day and the roads were in such a condition that he had to either ride a freight train out of Hondo at 10 o'clock or pass his other appointments up, he contented himself by meeting a few of his admirers personally and went his way west without making a formal speech.

It was a great disappointment to many who were anxious to hear the man whom they believe and hope will be the next Governor, but under the conditions his advisors thought it the only thing to do. Governor Davidson was accompanied on his trip by Geo. D. Armstead, a member of the State Highway Commission.

On Thursday, Senator V. A. Collins of Dallas came in in his own conveyance and at two-thirty o'clock spoke to an audience of probably 150 voters at the courthouse. Senator Collins is the first candidate for Governor to ever address a Hondo audience. He came in unaccompanied save by a little boy, he was unheralded save for a few handbills and a formal notice published in last week's issue of this paper, no supporters rallied around him, and it fell to the lot of a partizan of Mrs. Miriam A. Ferguson to introduce the speaker to his audience. That he must have done it in a satisfactory manner was evidenced by the fact that when the Senator arose to speak he told his audience that the reception he was receiving at the hands of the people of Hondo reminded him that he must have arrived "out where the west begins—out where the greeting is a little warmer—out where the hand-clasp is a little stronger."

Then for about two hours the Senator discussed such topics as law-enforcement, taxation, public education, etc. He counseled his hearers to venerate and love our constitution and to beware of letting a minority change the fundamental law of our commonwealth. He said all laws should be enforced in a legal way, and that when he is governor the rangers and the militia will only be sent into a community to assist the local authorities and to act with and in subordination to them as the constitution plainly directs. He said he would expect and depend upon the citizenship of every community doing its duty in seeing that the law is enforced, and assured them that when any public officer failed to perform his sworn duty and to afford the humblest citizen protection under the law

THE FIRST CANDIDATE FOR GOVERNOR TO SPEAK IN HONDO.

HON. V. A. COLLINS

any reputable citizen can go into the district court and bring such legal action as would remove such derelict or corrupt official from office. He said taxes can not be reduced without serious interference with the state's affairs, damage to the public schools and neglect of the state's dependents. And he cautioned the people to beware of men who promised them great tax reductions in exchange for their votes. All he would promise was to give the state his best efforts at a business administration administered as the constitution directs. He reviewed his public service, contrasted it with the record of his opponents and asked the votes of his hearers on the basis of that comparison.

He gave an amusing recital of Felix Robertson's conversion from an anti-prohibitionist "all over" to a prohibitionist "both inside and outside," the "inside" conversion coming as a sort of second-blessing some two years after the "outside."

The Senator was roundly applauded at the conclusion of his remarks, received many hearty congratula-

tions, and left for Uvalde with a smile of satisfaction on his rugged, honest face.

Those who heard him were glad they were there.

WITH THE DRILLERS

After somewhat of a lull in drilling operations from one cause or another, it seems now that a great drilling campaign will be underway in the immediate future.

Mr. Carson, of the Lampasas-Bisbee Oil Company returned to Hondo this week and is supervising the unloading of the rig to be used by the company in its drilling operations. This rig—a star—is possibly the most complete ever set up in this territory, will be used on the Haegelin place and adjoining acreage held by the company. The rig is capable of going any depth the company may desire and go quick, as the outfit is in good physical condition and will not be subject to delays caused by poor equipment. Mr. Carson is very sanguine that his company is going to make a rich strike—in fact he has no doubt as to the result of the drilling—and being no tyro in the oil game, his judgment should be worth something. The transporting of the rig from the depot to the drilling site some six miles south of town, is a herculean undertaking and Mr. Carson estimates it will be about the first of August before spudding in will be effected. Mr. Carson says his company has all the acreage it wants and financially independent, it has nothing to conceal, and will, during drilling operations, cheerfully give any information as to prospects as the drill goes down, that friends may desire. Everyone is glad to welcome this company into this territory and everyone trusts its operations will be crowned with great success.

The Ina Oil Co. has procured another rig from a company up about Brady. The transporting of the rig has been somewhat delayed owing to the recent heavy rains, but it will be moved in at the earliest possible moment. This rig according to our information, will be erected on a lease up the Hondo some miles North of the present Ina Wells.

Ina No. 4 (The old Smith-Donelson well), the drilling in of which has been somewhat delayed owing to the non-arrival of a shipment of casing was to be drilled in Thursday, the casing having arrived. We haven't learned the result. As soon as this well is completed it is our understanding the rig will be moved some distance up and on the east side of the Creek. The purpose of the Ina drillers now is to determine the trend of the pool, which geologists believe lies Northeast and Southwest of the present Ina wells—the discovery wells.

Dr. O'Brien will explore the territory Southwest O'Brien No. 1, and it is our understanding has already spudded in.

There is a rumor that a new company will spud in a deep test in new territory just as soon as a rig can be moved in. We understand the money is already in the bank to finance the undertaking, the contract for which calls for a hundred barrel well or a depth of 3,500 feet. We are not privileged to give the names or location of this new undertaking.

The latest news from the Metzger well, drilling on the Ward place, placed the drill in a stiff gumbo with an ever increasing gas pressure. This well is in the interesting stage, and something is expected to happen at any moment as this well checks exactly with the Ina wells and the Wolff wells.

Quite a drilling campaign seems to be developing and oil men predict another great field will soon be adding its wealth to the other fields that are now adding millions to the population of Texas.
